The National Assembly of the Federation of Middle-Level Students (FEEM), to be held on Tuesday and Wednesday in Cojímar's Convention Center brought together some 350 delegates and guests this Monday. The main topic of this event, devoted to Fidel and Ché, is the students' responsibility and commitment to the Homeland destiny. Today's program includes the work in commissions and the gala for the 47<sup>th</sup> birthday of the organization, created on December 6.
